

# IOWA 4-H SOLAR ECLIPSE DAY CAMPS

You are invited to experience the solar eclipse with Iowa 4-H!

On August 21, a solar eclipse will cross the continental United States. In Iowa, people will be able to experience a partial eclipse with more than 90% of the sun in the moon's shadow. It is an historic event and a unique opportunity to view one of nature's most stunning displays!

Thanks to a partnership with the Iowa Space Consortium, youth will:

- Learn how eclipses work
- Make an eclipse viewer
- View the solar eclipse
- Learn about sun safety
